

Logging Into

Clever

At Home

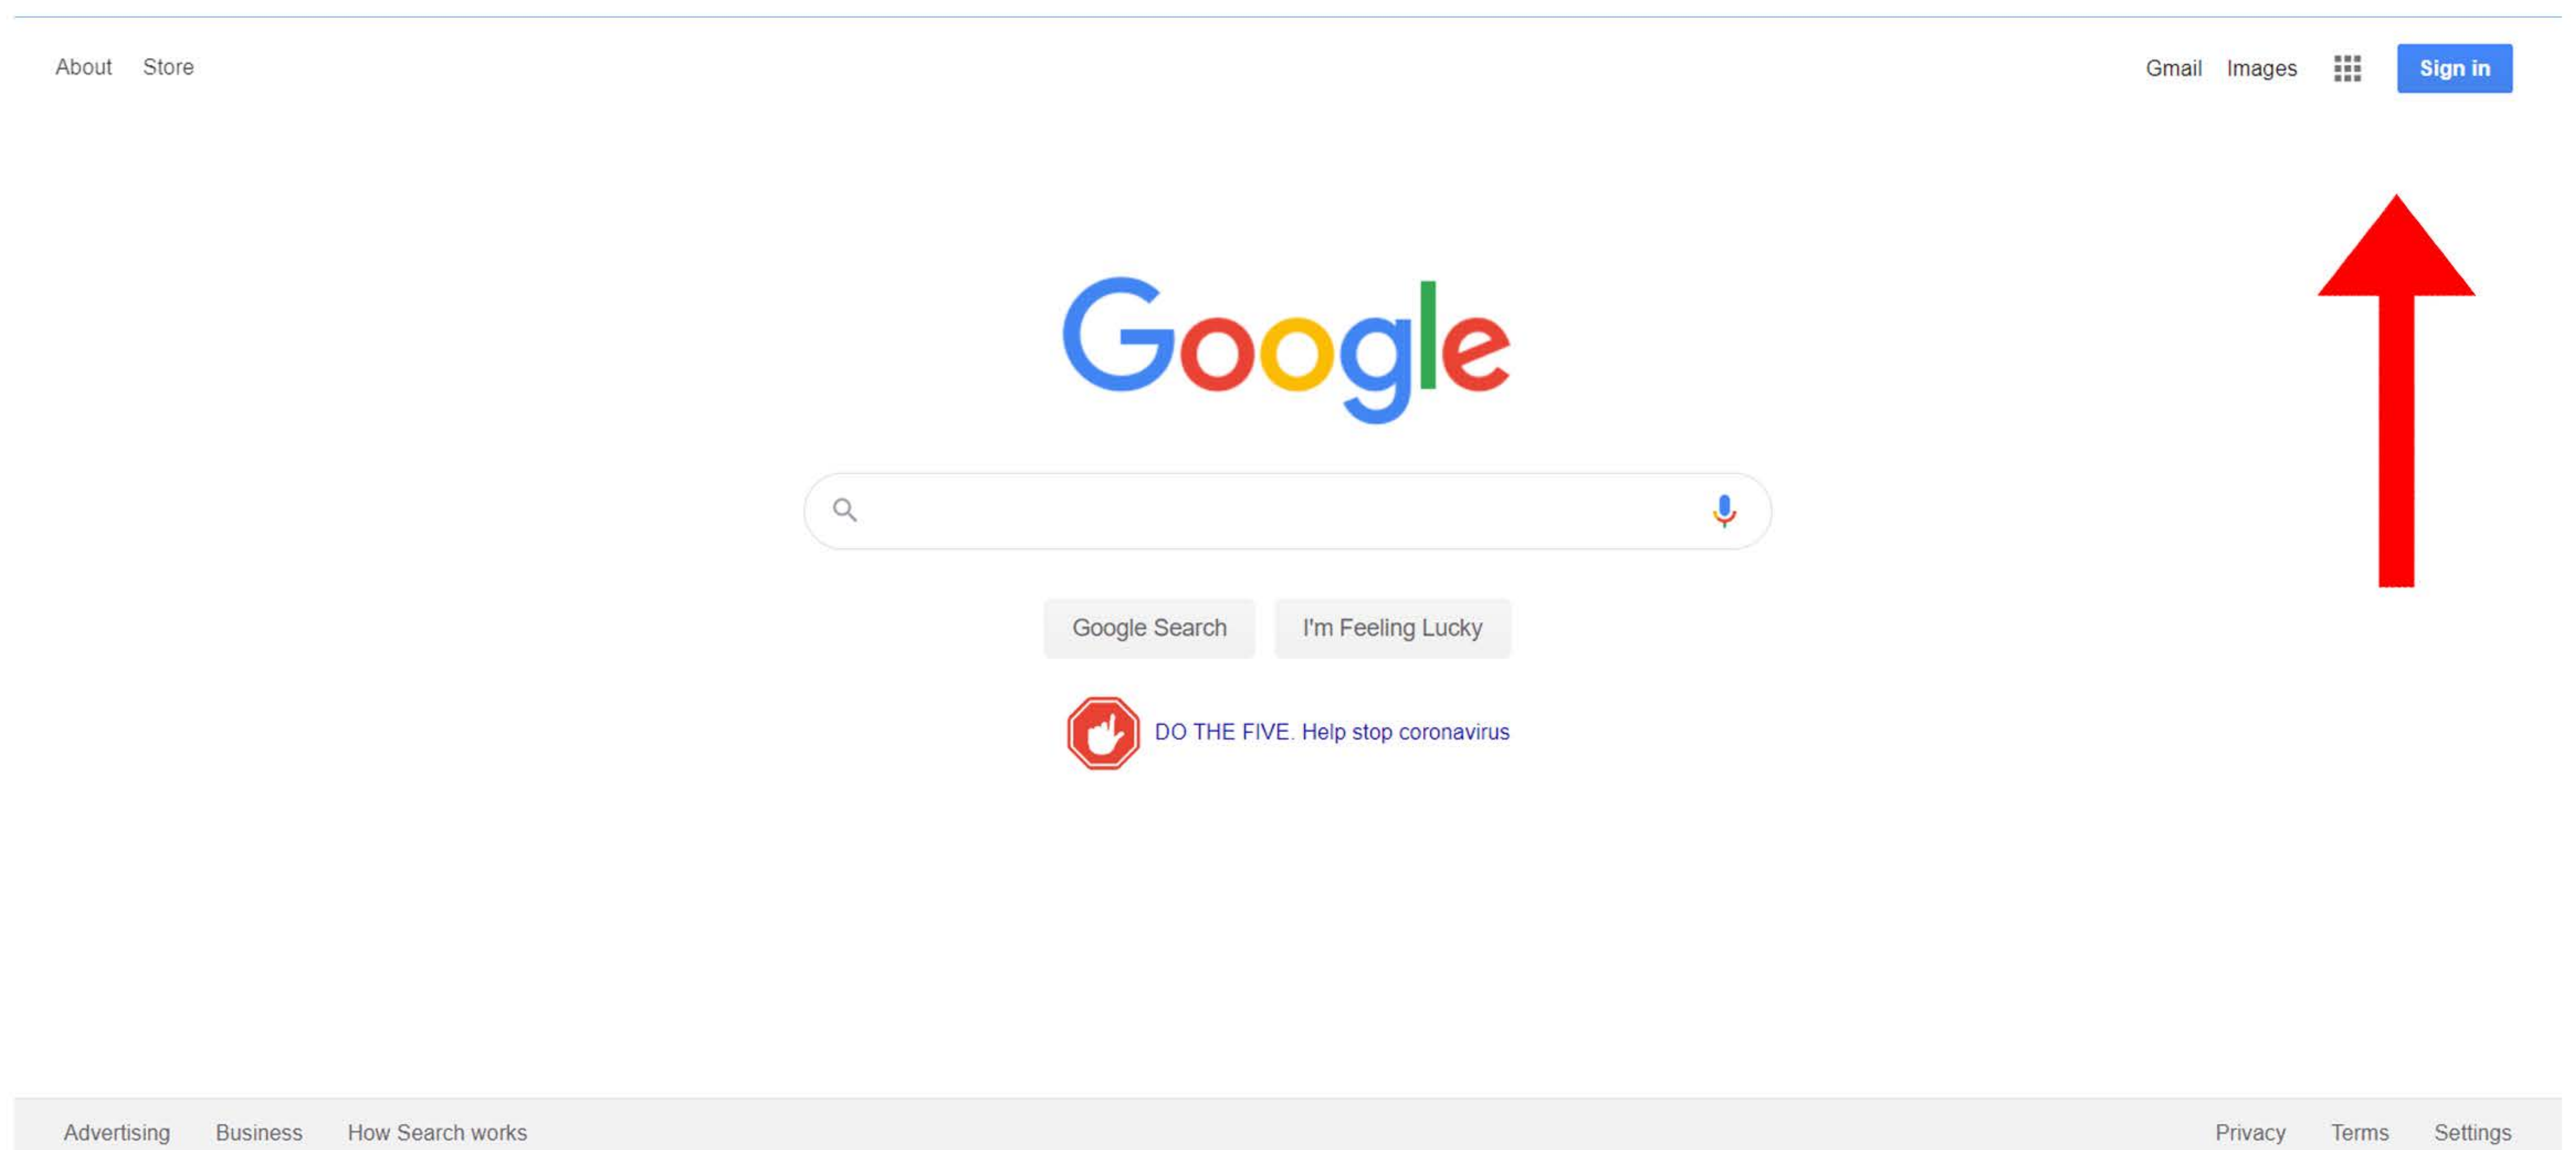

1. Go to **<https://www.google.com/>** in your internet browser. (We recommend using Google Chrome.)

2. Log your student into their Student Google Account.

Student emails are their ID numbers (or the student may know it as their lunch number).

Example: 1234567@besd.org

(For questions on passwords if your student forgot, please contact the school.)

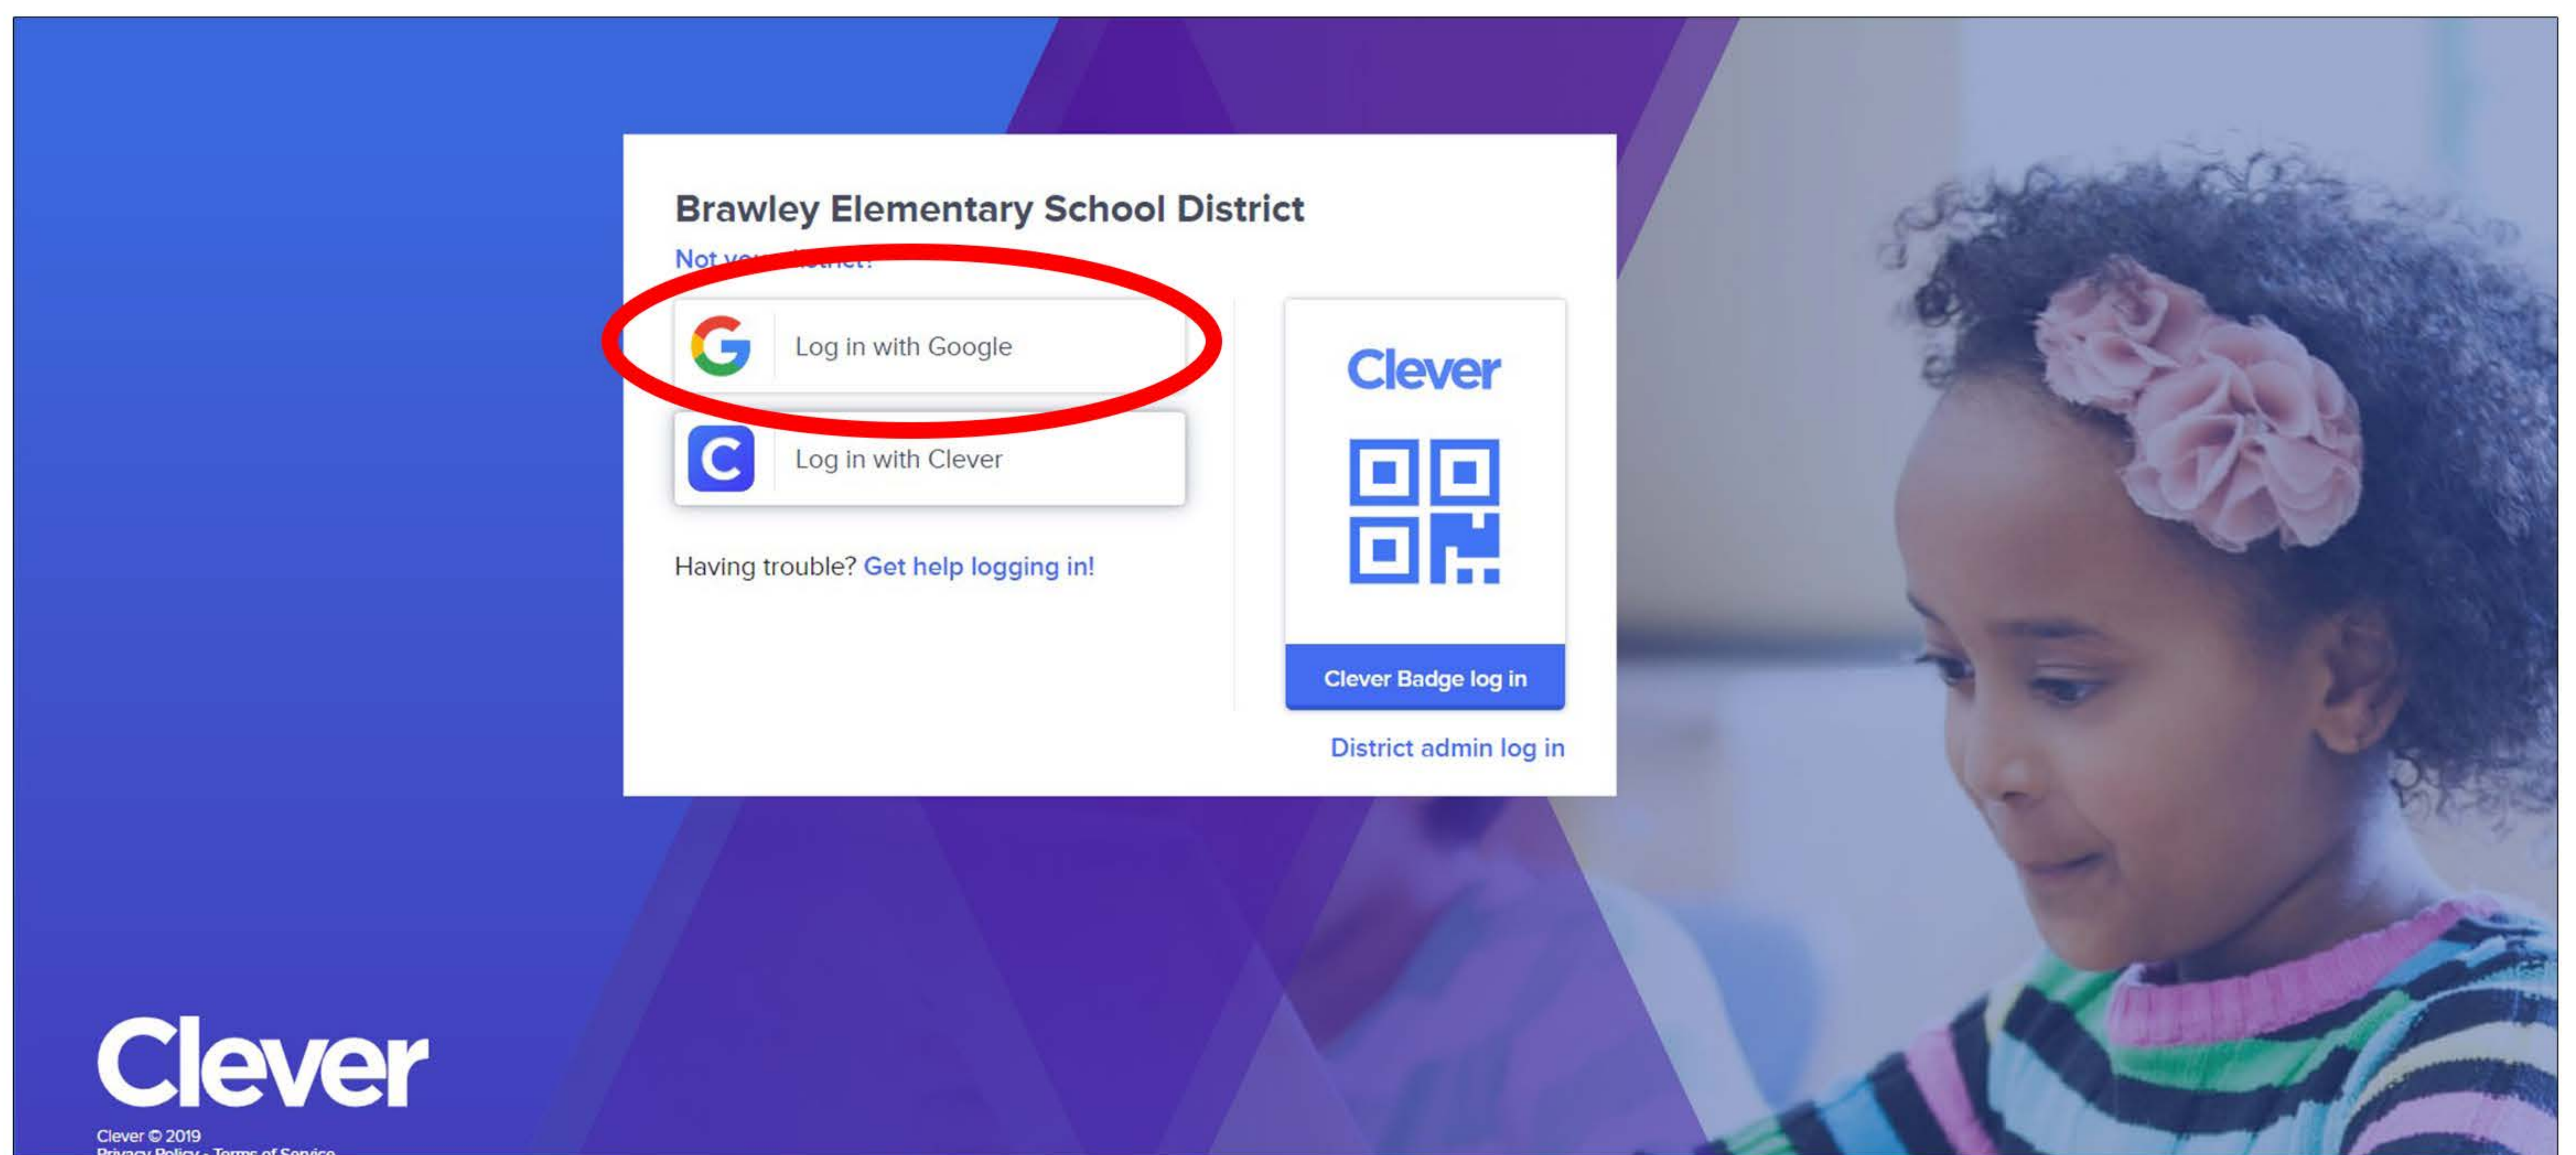

3. Go to <http://www.besd.org/>.

2. Click on School Applications.

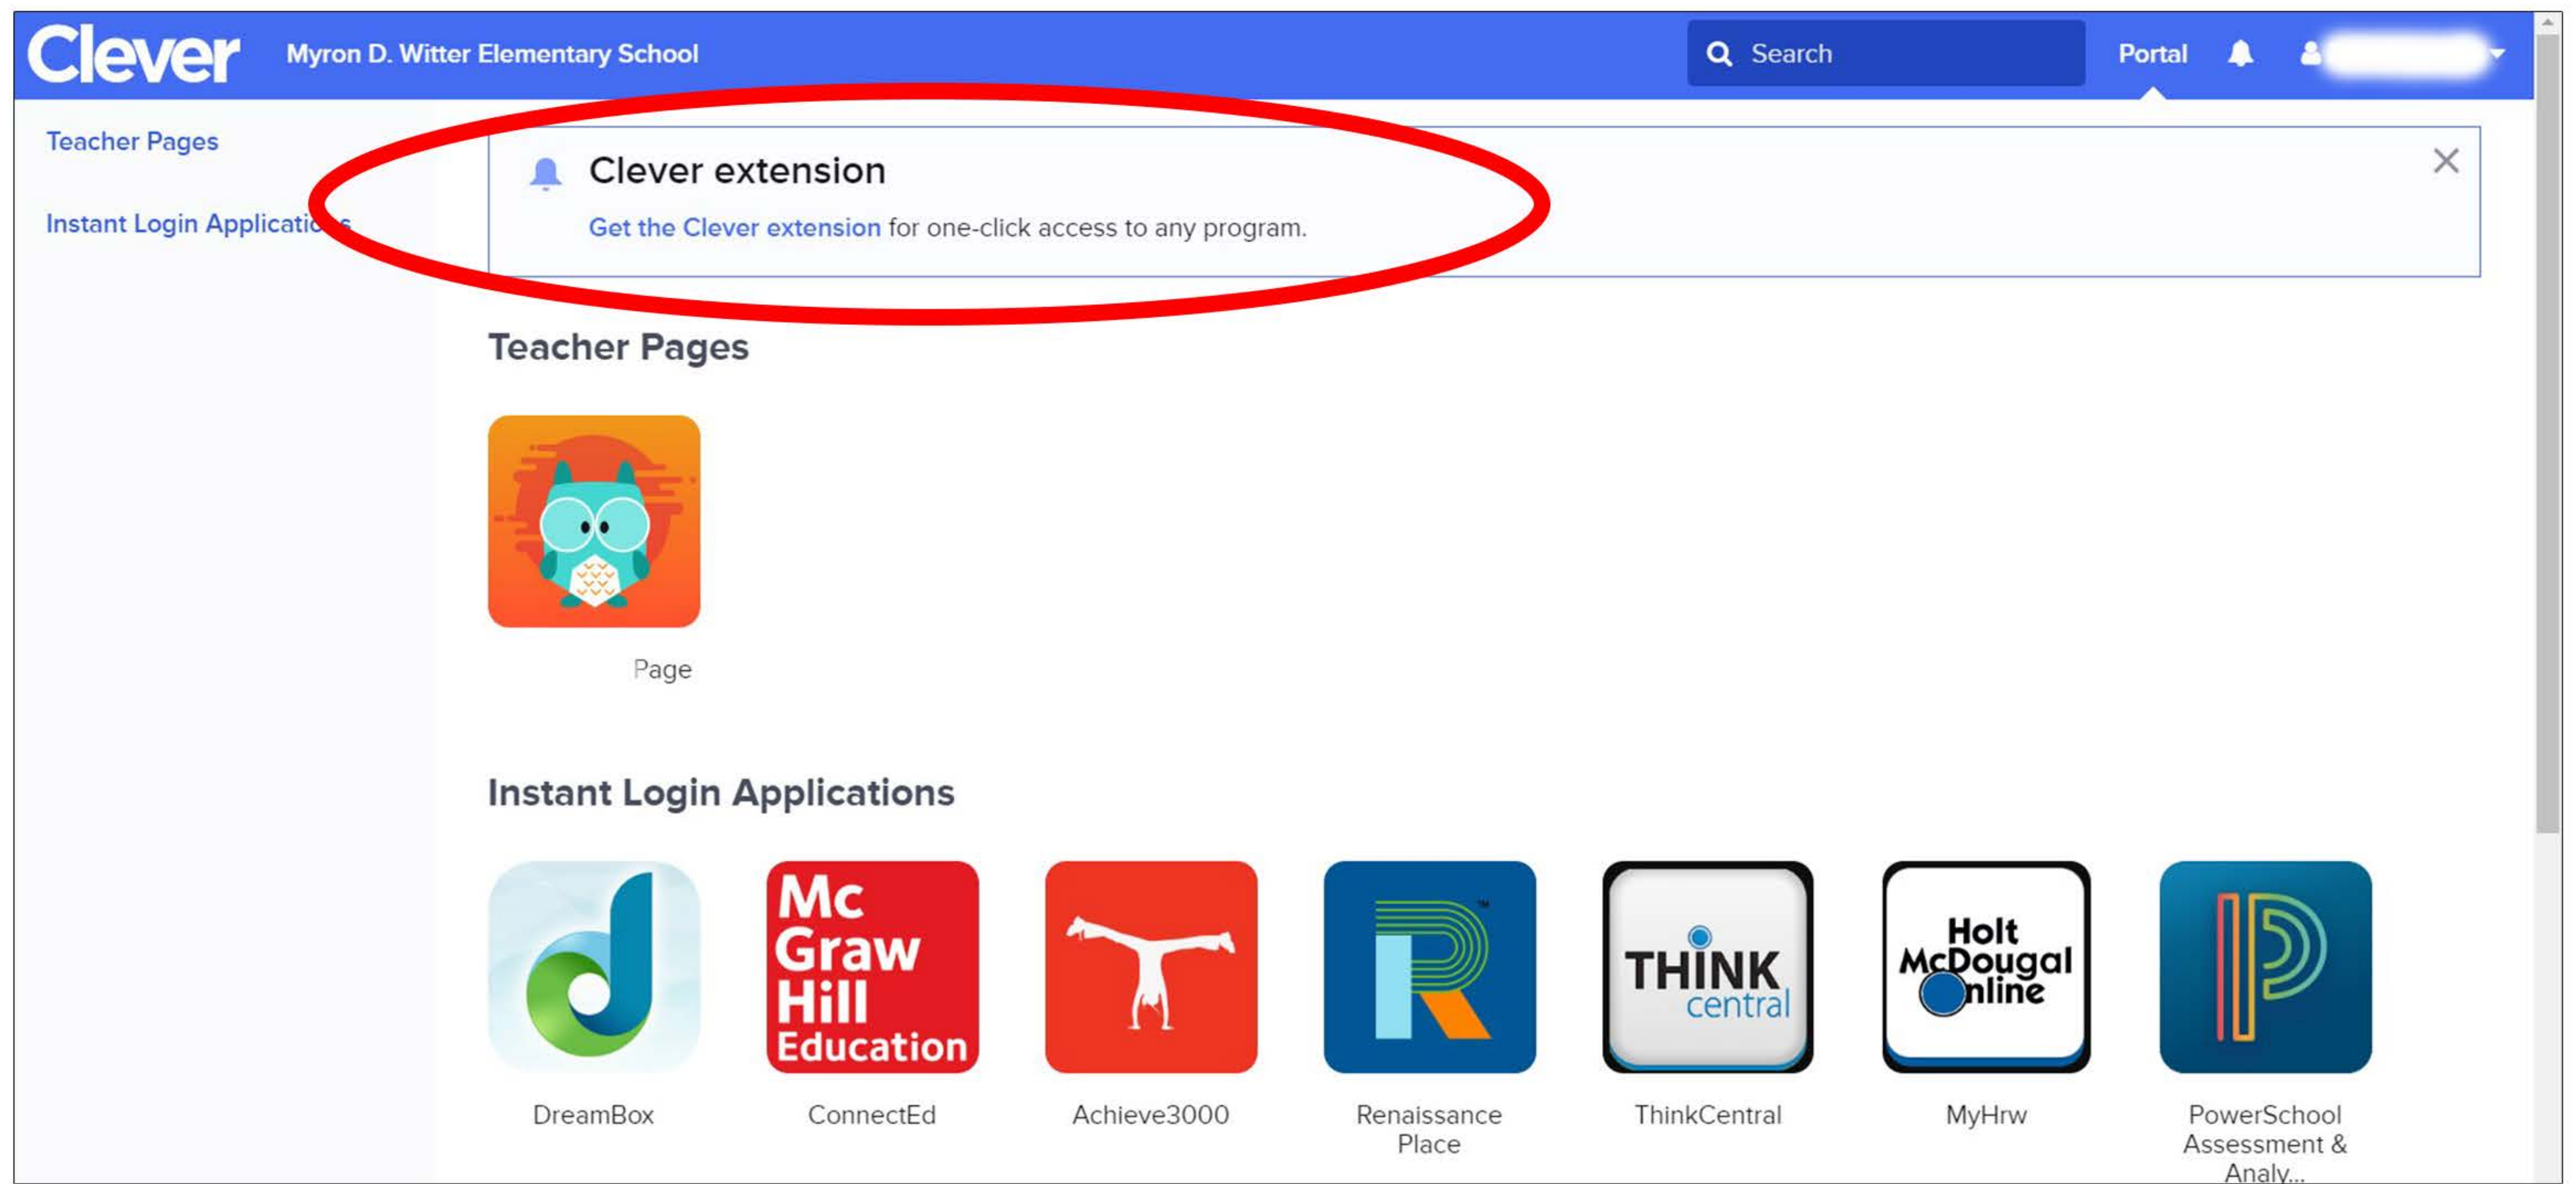

4. Click on to “Log in with Google”.

(You may have to select the google account you are going to be using.)

5. Download the Clever extension. Just click on the link provided by Clever.

You are now all set!

You can now access all your students programs.

All you have to do is click on one of the tiles and it will automatically take you to the website and sign in your student.
