

Dear Myron D. Witter Elementary School Community,

I hope that this note finds you all well and safe. It is an honor to introduce myself as the new Principal of Myron D. Witter Elementary School. I am humbled to have the opportunity to lead a school with such a rich history of academic and cultural excellence.

I arrive at Myron D. Witter with 14 years of experience as an educator. My educational experience has included being a Substitute Teacher, Teacher, Academic Coach and Academic Services Coordinator for Brawley Elementary School District. In addition to my role as an educator, I am a father and husband. My wife Gloria and I have three beautiful children by the names of Ivan Alonso (7 yr.), Jose Pablo (4 yr.) and Maria Fernanda (18 months). My sons are very involved with sports and I love to coach and watch them play. During football season you will see me cheer for the Indianapolis Colts and during baseball season, I'm rooting for the New York Yankees.

Without a doubt the 2020-2021 school year will be one to remember. As educators we are faced with the challenge of providing a first class education to all our students through a world-wide pandemic. Whether it be online or in a classroom, I believe wholeheartedly that every student deserves a quality education and that only happens when the school and the families work together for the best interest of our children. With that in mind, I will be calling on all of our faculty, staff, and parents to work together so we can best serve all our children. I firmly believe that every child can excel and that the partnership between home and school builds the confidence needed in all students to succeed.

In closing, please know that my door is always open to you. Keep in mind that student safety, academic achievement and the social emotional well-being of all students are my priority. Let us always keep our students the primary focus of our work. I look forward to meeting all of you in the upcoming weeks.

Enjoy your summer and stay safe!

Sincerely,

Mr. Ivan Vildósola
Principal
Myron D. Witter Elementary School
